Go straight across at the lights, bearing to the left, you are now back on Tripnet Lane and need to now turn immediately left up Holly Street and back onto the one way system (around City Hall).

Head out of the station and cross the main road at the pelican crossing. Turn left and walk around the side of the NMB building. Look out for the Howard Hotel and walk up the hill called Howard Street. Cross the main road at a pelican crossing in front of the Millennium Galleries and turn right. To the right of the Millennium Galleries you will find a set of ramped steps. Go up these steps onto Surrey Street (Sheffield Library should be on your right-hand side at the top of the steps). Continue along Surrey Street and, at the end, cross over the road towards H L Brown Jewellers and Yorkshire Building Society. You are now on Leopold Street and our offices are situated on the left-hand side on the 3rd floor of Fountain Precinct.
