**Directions
From the East**

Take the York Road (A64) towards Leeds. On approaching Leeds you pass under a footbridge. Shortly afterwards is a slip road to Leeds which you do not take. You will then see an uphill sliproad which exits the A64 before it enters a cutting beneath a road and buildings.

Take this slip road and continue to the top of the rise. Turn right towards Harrogate along North Street. Take the second left into Grafton Street. At the top turn left into Wade Lane. Continue on Wade Lane until you reach the T-Junction with Merriam Street, turn left and then sharp left at the traffic lights. This leads into Belgrave Street, with Belgrave Hall on your left.

**Directions
From the South (M1)**

From M1 join M621 signposted for Leeds City Centre. You will pass the Hilton Hotel on your left and pass under a railway bridge. This will bring you to City Square with the train station just behind you on your left. At City Square bear left past the Queens Hotel. Follow the directions for the 'Loop Road'. At the next major intersection go straight across between Leeds Town Hall on your left, the Library and Art Gallery on your right.

At the next set of traffic lights turn right into Great George Street.

Go straight on at the next set of traffic lights in Great George Street. This will bring you to the top of the hill. Again go straight on (but keep in the left hand lane now) with the Merriam Centre on your left and St. John's Centre on your right. At the end of this road bear left and take the first turning left before you pass over the inner ring road. This is Belgrave Street and Belgrave Hall is on the left. There is a small NCP car park immediately on your right.
